New England’s oldest and most trusted name in landscape construction, maintenance, & irrigation.

- Landscape Estate Management
- Fine Gardening
- Horticultural Services
- Masonry
- Planting / Transplanting
- Seasonal Flower Rotations
- Irrigation Installation & Repair
- Snow & Ice Management
### November 2019
- **Introduction to Lacto-Fermentation**: 2-Nov, 10 a.m.
- **Geniuses of Place Symposium**: 5-Nov, 1 p.m.
- **Ikebana Course**: 11/5 - 12/10, 6:30 p.m.
- **Pruning Woody Plants**: 7-Nov, 7 p.m.
- **Build a Cold Frame workshop**: 9-Nov, 9 a.m.
- **Shibori Indigo Dying**: 14-Nov, 10 a.m.
- **Festival of Trees**: 11/29 - 12/15, 10 a.m.

### December 2019
- **Family Workshop: Gingerbread Houses**: 7-Dec, 10 a.m.
- **Family Workshop: Gingerbread Houses**: 14-Dec, 10 a.m.
- **Holiday Garland Workshop**: 18-Dec, 7 p.m.
- **History of Botanical Art Seminar**: 1/6 - 1/8, 9:30 a.m.
- **Botany for the Home Garden**: 1/7 - 2/11, 6:30 p.m.

### January 2020
- **Crow-Quill Pen for Beginners**: 13-Jan, 9:30 a.m.
- **Tour of the Harvard Glass Flowers**: 16-Jan, 1:30 p.m.
- **Designing The Winter Landscape**: 1/22 - 1/29, 10 a.m.
- **Stop Mulch-scaping and Start Landscaping**: 23-Jan, 7:30 p.m.

### February 2020
- **Foundations of Botanical Drawing & Painting**: 2/5 - 3/11, 9:30 a.m.
- **Guided Hydroponic Tour: Little Leaf Farms**: 6-Feb, 11 a.m.
- **Family Workshop: Wildlife Feeders**: 8-Feb, 10 a.m.
- **Wine Tasting & Heirloom Grape Lecture**: 8-Feb, 3 p.m.
- **Valentine's Day Floral Design**: 12-Feb, 7 p.m.
- **Humans & Their Use of Plants**: 18-Feb, 6:30 p.m.
- **Understanding & Controlling Invasives**: 20-Feb, 7 p.m.

### March 2020
- **Lettering with Pen & Ink**: 3/2 - 3/30, 9:30 a.m.
- **Build a Cold Frame workshop**: 7-Mar, 9 a.m.
- **Mass Hort at the Flower Show**: 3/11 - 3/15
- **Sculpting your Watercolors**: 13-Mar, 10 a.m.
- **Fruit Trees; Pruning & Care**: 19-Mar, 7 p.m.
- **Improve Your Watercolor Skills**: 3/31 - 5/26, 9 a.m.
- **Improve Your Watercolor Skills**: 3/31 - 5/26, 12:30 p.m.

### April 2020
- **Family Workshop: Fairy Gardens**: 11-Apr, 10 a.m.
- **Uses & Lore of the Damask Rose**: 16-Apr, 11 a.m.
- **Color Mixing for Artists**: 4/23 - 4/25, 9:30 a.m.

### May 2020
- **Drawing & Painting for the Petrified**: 5/6 - 5/27, 9:30 a.m.
- **Mother’s Day Floral Design**: 6-May, 7 p.m.
- **Portable, Potted Herb Garden**: 19-May, 1 p.m.

---

All classes take place at The Gardens at Elm Bank, 900 Washington Street, Wellesley, MA unless noted otherwise.

---

Additional course offerings appear in our newsletters and on our website, www.masshort.org
Field Trips
Bring your students, scouts and other youth groups to our gardens for garden explorations, scientific observations, and woodland walks. Groups are welcome to bring their own educators or request a staff-led program.

Garden Tours & Lectures
Plan an outing to The Gardens at Elm Bank for a guided or self-guided tour, discounted admission for groups larger than 10 people. Mass Hort staff and volunteers will lead your group through the gardens, sharing information on garden design, plant specimens, and history along the way. Looking for a speaker? Our horticultural staff is happy to present at your next meeting.

New This Season! The Mass Hort Plantmobile is happy to announce we’re broadening our audience and expanding our outreach program to visit aging populations alongside our school/youth visits. Whether it’s a program on creating a container gardening or an afternoon of window sill herbs, we’re happy to lead your group and bring the supplies! Programs are designed to provide a rewarding horticultural experience in any setting.

For more information and to book any of the above, visit www.masshort.org/education-events, email education@masshort.org, or call 617-933-4973.

Introduction into Lacto-Fermentation
Saturday, November 2nd, 10 – 11:30 a.m.
Putnam Building
Bill Goodwin is a chemical engineer who prefers to grow his own food and experiment with anything that might even look like food. He’s found that lacto-fermenting veggies from the garden is fun, simple and nutritious. He’s made delicious batches of krauts, pickles, fermented beets, and kimchi, and wants to share what he’s learned with anyone who’s lost interest in coleslaw. In this class we’ll wield knives and cut up unsuspecting vegetables, apply some salt, and a bit of “scrunch”— and make batches of something delicious for everyone to take home. Vegetables & workshop materials will be provided.
$70/member, $85/general admission

Geniuses of Place Symposium
Tuesday, November 5th, 1 – 5 p.m.
Hunnewell Building
Massachusetts Horticultural Society is thrilled to offer an afternoon of insight into the people who became influencing factors and cultivated the foundation and appreciation of landscape design. Join us for an afternoon lecture series on the design principals of Brown, Repton, and Olmsted followed by a panel discussion. Facilitated by Ethan Carr, John Phibbs, and local experts, the audience will have a chance to express their questions. Meet, mingle and enjoy the company of like-minded individuals at the reception following.
$70/member, $85/general admission

Ikebana Course
Tuesdays, November 5th – December 10th, 6:30 - 8:30 p.m.
Putnam Building
In this six-week course, learn the art of Japanese Flower Arranging from Joanne Caccavale, Komon, Sogetsu School. She will teach the basic curriculum and you will receive a certificate from Tokyo upon completion of each course book. Books and materials will be provided, please bring garden scissors or Ikebana scissors.
$250/member, $325/general admission

Pruning Woody Plants
Thursday, November 7, 7 – 8:30 p.m.
Education Building, Parkman Room
Learn about the science behind when, how and why to prune your woody plants. From branch collars to suckers, we’ll cover the basics to make the best use of your money by making good choices about which plants can be pruned by a home gardener and which require the services of a professional.
$15/member, $20/general admission

Build a Cold Frame Workshop
Saturday, November 9th, 9 a.m. – 12 p.m.
Putnam Building
Build your very own cold frame! Extend your growing season and provide protection for seedlings and tender plants. The cold frame’s footprint is 2’ x 4’, and slopes from 24” at the back to 16” at the front. It disassembles for easy transportation and storage. We’re able to provide a few drills & screwdrivers, if you have your own please bring them along. All building materials are provided and no woodworking experience is necessary!
$65/member, $75/general admission

Shibori Indigo Dying
Thursday, November 14th, 9 a.m. – 4 p.m.
Putnam Building
Learn how to create vivid blue designs on cloth. We begin by twisting, folding, stitching, clamping, wrapping, and compressing fabric into a variety of shapes. Then we dip the fabric into a magical indigo vat to produce shades ranging from pale blue to denim. Finally, we unwrap the dyed pieces to reveal stunning patterns—both simple and complex. You will leave class with several pieces of dyed fabric and the knowledge and confidence to explore this exciting process at home.
$140/member, $200/general admission
DECEMBER

Gingerbread Houses – Family Workshop
Saturday, December 7th, 10 – 11:30 a.m.

OR
Saturday, December 14th, 10 – 11:30 a.m.

Putnam Building
Kick off your Saturday with Family Programing at The Gardens at Elm Bank. As a family you’ll create a craft project to take home, take part in a garden lesson and enjoy the beauty of the gardens in each season. This month families will create a gingerbread house, let us handle the mess and cleanup while your inner designer plays. Learn about the animals that call the garden home throughout the winter and why this area is ideal.

$40/member, $60/general admission

Holiday Garland Workshop
Wednesday, December 18th, 7:30 – 8:30 p.m.

Putnam Building
Using foliage that you might find in your own yard and garden, learn the basic techniques of garland design in this workshop led by Barbara Rietscha, owner of Field & Vase. Learn the ins and outs of arranging and tricks to making your arrangement look professional. Everything will be provided for class.

$55/member, $65/general admission

JANUARY

History of Botanical Art Seminar
Monday, January 6th – Wednesday, January 8th, 9:30 a.m. – 12:30 p.m.

Wellesley College Club
Since the Renaissance and fueled by centuries of plant exploration, great discoveries in global flora, advances in printing techniques, and an increasing interest in horticulture, botanical art gained a wide audience and flourish as both an art form and a means to document plant species from 1600 – 1900. Beginning in the 1990s, there has been a resurgence of interest in contemporary botanical art. Pam Harrington will review the significant roles and styles of botanical art, from early times to the present. The class will also visit the Special Collections in Wellesley College’s Margaret Clapp Library for a special viewing of the College’s extraordinary collection of rare botanical books. Sign up by contacting the Wellesley College Botanic Garden (WCBG) Friends at wcbgfriends@wellesley.edu

$125/ WCBG & Mass Hort Members, $150/general admission

Botany for the Home Gardener Course
Tuesdays, January 7th – February 11th, 6:30-8 p.m.

Putnam Building
In this six-session course, join our Senior Horticulturist, Hannah Traggis, to explore the fundamentals of plant structures and their function, reproductive and floral biology, introductory concepts in physiology and metabolism, and overall systematic organization and classification of major plant groups within the plant kingdom. Participants will better understand the world of plants and gain a far deeper appreciation for their wonder.

$175/member, $220/general admission

Crow-Quill Pen for Beginners
Monday, January 13th, 9:30 a.m. – 3:30 p.m.

Putnam Building
Would you like to draw with pen and ink and learn how to work with the Crow-Quill pen? Then this class is for you. Through exercises and demos, instructor Carol Ann Morley will show you how to hold the pen to achieve different strokes, create textures, and produce a variety of ink techniques like cross-hatch and stipple. Pen and ink has a unique language of its own with its expressive flowing lines and range of tonal depth. Explore the wonders of this unique medium and learn how to build your own visual vocabulary. This class will help you to representational ink drawings. We will be working with sepia ink. Sign up by contacting the Wellesley College Botanic Garden (WCBG) Friends at wcbgfriends@wellesley.edu

$110/ WCBG & Mass Hort Members, $130/general admission
Guided Tour of Harvard’s Glass Flower Collection
Thursday, January 16th, 1:30 – 3 p.m.

Harvard University’s Museum of Natural History
Join us for a special tour of one of Harvard’s most famous treasures—the internationally acclaimed Ware Collection of Blaschka Glass Models of Plants, the “Glass Flowers.” This unique collection of over 4,000 models, representing more than 830 plant species, was created by glass artisans Leopold and Rudolf Blaschka, a father and son from Dresden, Germany.
$28/member, $38/general admission

Stop Mulch-scaping and Start Landscaping
Thursday, January 23rd 7 – 8:30 p.m.

Education Building, Parkman Classroom
At some unknown point in time, mulch—black, orange, brown, etc.—became a part of the landscape, but wouldn’t you rather have plants? Anywhere you can spread mulch, you can dig a hole and put in a groundcover plant. Groundcover plants = living mulches. Learn what to do before you start to replace your boring old mulch with fabulous new groundcovers. You’ll learn which ones are right for your garden with an inspiring presentation and comprehensive list of plants organized by size and type. Instructed by Joanne Neale
$20/ Mass Hort Members, $30/general admission

Designing the Winter Landscape
Wednesdays, January 22nd & 29th, 10 a.m. – 2 p.m.

Education Building, Parkman Classroom
Maria von Brincken will help you design an outdoor space that uses texture, color, and mass planting to create visual interest throughout the winter. Winter gardens also create a backdrop for seasonal flower gardens. Featuring our Bressingham Garden, her design work, and others, Maria will introduce you to lay-out and plant lists that will inspire your garden planning during these cold months. Weather permitting, dress for a tutorial walk in our winter gardens. There will be class time for you to experiment with winter planting combinations and layout that could work in your own gardens.
$145/member, $185/general admission

FEBRUARY

Foundations of Botanical Drawing and Painting
Wednesdays, February 5th – March 11th, 9:30 a.m. – 1:30 p.m.

Putnam Building
Through demonstrations and tutorials, lead instructor and Education Director Sarah Roche will introduce you to the traditional art and science of botanical drawing and painting. This six week instruction includes drawing, composition, and watercolor techniques. All abilities are welcome! Sign up by contacting the Wellesley College Botanic Garden (WCBG) Friends at wcbgfriends@wellesley.edu
$295/ WCBG & Mass Hort Members, $345/general admission

Guided Hydroponic Tour: Little Leaf Farms
Thursday, February 6th 11 a.m. – 12:30 p.m.

Little Leaf Farms
Little Leaf Farms is the leading producer of baby greens sold across the Northeast. Their 10-acre space is the most technologically advanced lettuce growing greenhouse in the world. Greens are grown hydroponically using captured rainwater, just one aspect of their sustainable model. Learn more by joining us on a tour with the farm’s founder, Paul Sellow.
$20/ Mass Hort Members, $30/general admission

Wildlife Feeders – Family Workshop
Saturday, February 8th, 10 – 11:30 a.m.

Education Building, Cheney Room
Kick off your Saturday with Family Programming at The Gardens at Elm Bank. As a family you’ll create a craft project to take home, take part in a garden lesson and enjoy the beauty of the gardens in each season. Put a fun twist on an everyday birdhouse by creating a delicious snack for backyard wildlife. Learn about the birds that stay with us over the winter months and the ways that their beaks help them to do so.
$35/member, $55/general admission

Wine Tasting and Talk of Boston Developed Heirloom Grape Varieties  
**Saturday, February 8th, 3 – 5:30 p.m.**

*Education Building, Parkman Classroom*  
Join us for an afternoon of wine and knowledge as we explore heirloom grapes and the wines they create. The life, grapes, and wines of E. S. Rogers of Salem, MA (1826–1899) will be featured at this late-afternoon talk by J. Stephen Casscles. Stephen is a Hudson Valley winemaker at the Hudson-Chatham Winery who grows many of the heirloom grape varieties that were developed by Edward S. Rogers in 1851. During our time we will talk about Rogers’ efforts to breed superior grapes in Salem, MA. His resultant grape varieties, how they grow in the field, and the kinds of wines that they make. Attendees will have a unique opportunity to taste very rare wines made from these Rogers’ grapes and compare their qualities to today’s wines. This is a 21+ event.  
$55/member, $75/general admission

Valentines Floral Design  
**Wednesday, February 12th, 7 – 8:30 p.m.**

*Education Building, Cheney Classroom*  
Using flower and foliage that you might find in your own yard and garden, learn the basic techniques of floral design in this holiday workshop led by Barbara Rietscha, owner of Field & Vase. Florals and supplies will be provided. Field & Vase is a farmer-florist business. In her designs, Barbara uses flowers and herbs grown on her cut flower farm, Stow Greenhouses, located in Stow, MA.  
$50/member, $70/general admission

Humans & Their Use of Plants  
**Tuesday, February 18th 6:30 p.m. – 8 p.m.**

*Putnam Building*  
Hannah Traggis, our senior horticulturist, manages Mass Hort’s edible gardens throughout The Gardens at Elm Bank and oversees the Seed to Table vegetable garden. In this Tuesday evening class Hannah will cover how agriculture influenced civilization and how changes in the last century have impacted our food and environment. We will look ahead and discuss how the choices we make as consumers influence the future of food.  
$40/ Mass Hort Members, $50/general admission

Understanding and Controlling Invasive Plants  
**Thursday, February 20th, 7 – 8:30 p.m.**

*Education Building, Parkman Classroom*  
This talk will be an introduction to common invasive plants found the Northeast. Horticulturist and Ecological Landscaping Alliance Board member, Bruce Wenning, will discuss why these new pests of the landscape are dangerous to the ecology and sustainability of unmanaged landscapes, and what you can do to manage these plants at home.  
$15/member, $20/general admission

**MARCH**

Build a Cold Frame Workshop  
**Saturday, March 7th, 9 a.m. – 12 p.m.**

*Putnam Building*  
Build your very own cold frame! Extend your growing season and provide protection for seedlings and tender plants. The cold frame’s footprint is 2’ x 4’, and slopes from 24” at the back to 16” at the front. It disassembles for easy transportation and storage. We’re able to provide a few drills & screwdrivers, if you have your own please bring them along. All building materials are provided and no woodworking experience is necessary!  
$65/member, $75/general admission

Mass Hort at the Flower Show  
**Wednesday, March 11th – Sunday March 15th**

*Seaport World Trade Center, Boston*  
This year’s theme is “Garden Party, Celebrating Family & Friends.” Mark your calendars to visit Mass Hort at the Flower Show and take a look at the amateur competitions: Floral Designs, Photography, and Amateur Horticulture; as well as Ikebana exhibits. Learn from talented exhibitors through a full program of daily lectures, and demos.
**Sculpting Your Watercolors Workshop**  
**Saturday, March 13th, 10 a.m. – 2:30 p.m.**  
**Putnam Building**  
This workshop explores a unique method of developing a watercolor painting—using contact paper to create a template. We will start with a loose and playful watercolor wash using misting and tilting techniques to allow the colors to mix on the paper. Then we will develop the paintings using contact paper to facilitate various lifting methods and employ glazing techniques with emphasis on creative modeling and developing lost and found edges. All techniques will be demonstrated. This is a single session workshop, led by Nan Rumpf.  
$75/member, $100/general admission

**Fruit Trees: Pruning and Care**  
**Thursday, March 19th, 7 – 8:30 p.m.**  
**Education Building, Parkman Classroom**  
Stockbridge School of Agriculture Director and Professor of Pomology, Wes Autio, will present a talk on pruning fruit trees in the home landscape and will discuss the physiology of fruiting trees, methods for dwarf-tree pruning, ways to enhance fruit production, and other interesting facts for creating and maintaining a home orchard.  
$15/member, $20/general admission

---

**Our Mission**  
Massachusetts Horticultural Society is dedicated to encouraging the science and practice of horticulture and to developing the public’s enjoyment, appreciation, and understanding of plants and the environment.
Lettering With Pen and Ink
Mondays, March 2nd – 30th, 9:30 a.m. – 12:30 p.m.

Education Building, Cheney Classroom
In this five-week class with Nancy Galligan, students will learn Foundational, an alphabet that is perfect for labeling or captioning as well as writing out lengthier text. This hand is based on lettering from the 10th century—in particular, The Ramsay Psalter. This upright letterform based on the circle is the alphabet most used to introduce students to calligraphy. Nancy will guide your learning with classroom exercises and instructor demos. Students will also be introduced to simple Roman capitals, the uppercase letters that go with this lowercase alphabet. This class is ideal for beginners and continuing beginners alike (those who have previously taken a calligraphy class with Nancy).

Sign up by contacting the Wellesley College Botanic Garden (WCBG) Friends at wcbgfriends@wellesley.edu

$250/ WCBG & Mass Hort Members, $300/general admission

Improve Your Watercolor Skills
Two class times are being offered
Morning Course: Tuesdays, March 31 – April 21 and May 5 – May 26. No class on April 28th, 9 a.m. – 12 p.m.
Afternoon Course: Tuesdays, March 31 – April 21 and May 5 – May 26. No class on April 28th, 12:30 – 3:30 p.m.

Putnam Building
Join us for this eight-week course with artist and instructor Nan Rumpf. Classes are designed to further develop your watercolor painting skills and techniques. Each lesson is an activity designed to explore a different art element, principle, or painting technique. Explore the many possibilities of watercolor as you enhance your personal painting style and discover your artistic voice. Handouts, demos, painting examples, and critiques will be supplied by the instructor.

$330/member, $380/general admission

APRIL

Fairy Gardens – Family Workshop
Saturday, April 11th, 10 – 11:30 a.m.

Education Building, Parkman Classroom
Kick off your Saturday with Family Programming at The Gardens at Elm Bank. As a family you’ll create a craft project to take home, take part in a garden lesson, and enjoy the beauty of the gardens in each season. Everyone will bring out their inner landscape designer as you create a miniature setting perfect for magical inhabitants. Learn about starting a garden at home and what you can do to prepare for the growing season.

$45/member, $60/general admission

Uses and Lore of the Damask Rose
Thursday, April 16th, 11 a.m. – 12:30 p.m.

Putnam Building
Learn how pure Rose Oil and Rose Water are distilled and why it brings such high prices in the marketplace. Discover the lore and local stories from Turkey, home to the vast fields used for Paris perfume houses. Nancy Engel has traveled the world to study aromatic and culinary plants. She has worked the harvests in the South of France, Turkey, and the rainforest of Costa Rica. She has been featured in the Boston Globe, Chronicle, and PBS and has won numerous awards. Sponsored by The New England Unit of The Herb Society of America.

$15/member, $20/general admission

Color Mixing for Artists
Thursday, April 23rd – Saturday April 25th, 9:30 a.m. – 3:30 p.m.

Putnam Building
Susan Fisher teaches you how to mix the colors you want, not the ones you end up with through trial and error. Learn an easy system for combining colors consistently to achieve the broadest possible spectrum for any “wet” medium including watercolor, gouache, oils, acrylics, etc. Ideal for artists at all levels, color mixing sheets included. Sign up by contacting the Wellesley College Botanic Garden (WCBG) Friends at wcbgfriends@wellesley.edu

$350/ WCBG & Mass Hort Members, $450/general admission

PRE-REGISTRATION IS REQUIRED. MORE INFORMATION AND REGISTRATION AT WWW.MASSHORT.ORG
May

**Drawing and Painting for the Petrified**

**Putnam Building**

** Especially for beginners**

In this relaxed, informative seminar with plenty of demonstrations, you will work towards developing your drawing and painting skills. Sarah Roche encourages your observational skills to grow as you experiment with line drawings and the accurate representations of botanical forms. Leap into watercolor painting with a series of fun beginning botanical watercolor exercises. All abilities and anxiety levels welcome. Sign up by contacting the Wellesley College Botanic Garden (WCBG) Friends at wcbgfriends@wellesley.edu

$125/ WCBG & Mass Hort Members, $150/general admission

**Mother’s Day Floral Design**

**Education Building, Cheney Classroom**

Using flower and foliage that you might find in your own yard and garden, learn the basic techniques of floral design in this holiday workshop led by Barbara Rietscha, owner of Field & Vase. Florals and supplies will be provided. Field & Vase is a farmer-florist business. In her designs, Barbara uses flowers and herbs grown on her cut flower farm, Stow Greenhouses, located in Stow, MA.

$50/member, $70/general admission

**Ikebana Course**

**Putnam Building**

** Tuesdays, May 12th – June 16th,**

**1 p.m. – 3 p.m.**

Learn the art of Japanese Flower Arranging from Joanne Caccavale, Komon, Sogetsu School. In this six-week course, you will be taught the basic curriculum and receive a certificate from Tokyo upon completion of course books. Students will be provided with school books, plant material, containers, and pin frogs when you come to class. Please bring garden scissors or Ikebana scissors.

$250/ Mass Hort Members, $325/general admission

**The Portable, Potted Herb Garden**

**Education Building, Parkman Classroom**

Grow your own culinary herbs, available for snipping from May to November. Nothing enhances meals like the taste of fresh herbs! Create an herb garden that can be moved from place to place to take full advantage of available sunlight. Plant 6 classic culinary herbs in a 14” container to grow on a sunny porch, patio or doorstep. Please bring an apron and flower scissors to class if you have them.

$70/ Mass Hort Members, $85/general admission
